Employee Information

Hello, Waitus,  
I'm well, thank you. I hope you are too.

Would you like the notices placed on the HHS – CBH SharePoint main page (link below) or a subpage under that link?

 <https://semtribe.sharepoint.com/sites/STOF-HHS/SitePages/BH.aspx>

Would you additionally like to have these documents added to CBH's public page on Semtribe.com? -  
> <https://www.semtribe.com/services/health-and-human-services/behavioral-health>

Regards,

Albert

Good Afternoon Ms. Mason

It was a pleasure speaking with you today. Attached are updated copies of the STOF Health & Human Services Notice of Privacy Practices for our Center for Behavioral Health Plan Program (CBH).

We need SMP's assistance with posting these Notice of Privacy Practices forms on the HHS – CBH Program SharePoint page.

Below is the original email I sent to Miguel Freire on 2/12/26. To date, I have not heard back about this.

STOF Legal had advised us to have these posted on our SharePoint website page as of 2/16/26.

Since then, they have not been posted to our website and STOF Legal has advised us that the US OCR conducts random website searches for organizations that are required to adhere to this rule.

Can someone from SMP assist us with posting these Notice of Privacy Practices forms on the HHS – CBH Program SharePoint page as soon as possible so we can comply with this legal requirement?
