Hello, Waitus,
I'm well, thank you. I hope you are too.

Would you like this notice placed on the HHS – Health Plan main page (link below) or a subpage under that link?

 <https://semtribe.sharepoint.com/sites/STOF-HHS/SitePages/Plan.aspx>

Would you additionally like to have these documents added to the Health Plan's public page on Semtribe.com? -> <https://www.semtribe.com/services/health-and-human-services/health-plan>

Regards,

Albert

Good Afternoon Ms. Mason

It was a pleasure speaking with you today. Attached is an updated copy of the STOF Health & Human Services Notice of Privacy Practices for our Health Plan Program.

We need SMP's assistance with posting this Notice of Privacy Practices form on the HHS – Health Plan Program SharePoint page.

Below is the original email I sent to Miguel Freire on 2/12/26. To date, I have not heard back about this.

STOF Legal had advised us to have this posted on our SharePoint website page as of 2/16/26.

Since then, it has not been posted to our website and STOF Legal has advised us that the US OCR conducts random website searches for organizations that are required to adhere to this rule.

Can someone from SMP assist us with posting this Notice of Privacy Practices form on the HHS – Health Plan Program SharePoint page as soon as possible so we can comply with this legal requirement?
