SECTION I – BACKGROUND / GENERAL INFORMATION

1. BACKGROUND

The Seminole Tribe of Florida (hereinafter the “TRIBE”) is a federally recognized Indian Tribe organized pursuant to Section 16 of the Indian Reorganization Act of 1934, as amended, 25 U.S.C. §5123. There are six (6) Seminole Indian Reservations in the State of Florida in Big Cypress, Brighton, Hollywood, Immokalee, Tampa, and Fort Pierce. Tribal Headquarters are located on the Hollywood Reservation in an urban environment in the Greater Fort Lauderdale/Hollywood, Florida area. Satellite offices are located on each of the other reservations or trust land. The TRIBE also maintains off-reservation offices in Naples, Fort Pierce, Hollywood, and Miami.

The TRIBE provides various governmental services to its members and residents of its reservations similar to those services provided at the municipal or county level. Examples of such services include, but are not limited to, public works, recreation and elder services programs, police, fire, and EMS services. The TRIBE also maintains health and dental clinics, an education program, preschools and schools, a museum, two rodeo arenas, etc. In addition to governmental services, the TRIBE and the Seminole Tribe of Florida, Inc. (hereinafter “STOFI”) also are engaged in various business activities including real estate, agriculture, tourism, manufacturing, gas station/convenience stores, and sales.

2. INSURANCE

CONTRACTOR receiving an award, if any, will be requested to procure and maintain insurance coverage throughout the term of service provision from an insurer(s) financially acceptable and lawfully authorized to do business in the state(s) where the TRIBE conducts operations. Such coverage shall protect CONTRACTOR against claims arising from sickness, disease, death or injury to persons, and/or physical damage to tangible property, including loss of use, which may arise from the goods, products, or services provided by the CONTRACTOR, its agents, or its representatives.

Minimum Scope of Insurance

CONTRACTOR’s insurance coverage shall include the following minimum limits and coverage, if applicable:

- I. Commercial General Liability insurance on an occurrence coverage form, at least as broad as the *Insurance Services Office Commercial General Liability Policy form CG 0001* ©, current edition. If CONTRACTOR sells or distributes alcoholic beverages such coverage shall include Liquor or Dram Shop Liability. If CONTRACTOR sells or distributes food or beverage products such coverage shall include claims emanating from food-borne illness. Other than the standard exclusions applicable to pollution, asbestos, mold, employment practices, ERISA and professional liability, there shall be no additional limitations or exclusions beyond those contained in the above referenced policy form applicable to products and contractual liability. In addition to procuring and maintaining this insurance during the duration of the contract, CONTRACTOR agrees

to continue to procure and continuously maintain products liability insurance coverage for a minimum of three years after the date the contract is completed or terminated.

- II. Automobile Liability insurance covering liability arising from the use or operation of any auto, including those owned, hired or otherwise operated or used by or on behalf of the CONTRACTOR. The coverage shall be at least as broad as the *Insurance Services Office Business Automobile Policy, form CA 0001* ©, current edition.
- III. Workers' Compensation and Employer's Liability insurance as is required by statute or law, or as may be available on a voluntary basis.
- IV. Professional Liability insurance covering wrongful acts made by or on behalf of the CONTRACTOR. Claims-made coverage is permitted, provided the policy retroactive date is continuously maintained prior to the commencement of professional services rendered to the TRIBE, plus an additional period of three years after such services have been rendered to the TRIBE. If the CONTRACTOR's scope of work includes environmental engineering or consulting, the coverage required hereunder must not exclude coverage for environmental (professional) services.

Minimum Limits of Insurance

CONTRACTOR shall maintain the following minimum limits of insurance, if applicable (unless higher limits are required by law or statute):

1. Commercial General Liability (including umbrella or excess liability): \$1,000,000 per occurrence, bodily injury and property damage liability; \$1,000,000 per offense personal and advertising injury liability; \$1,000,000 products and completed operations policy aggregate and \$2,000,000 policy general aggregate applicable to claims other than products and completed operations.
2. Automobile Liability: \$1,000,000 combined bodily injury and property damage liability per accident for bodily injury and property damage.
3. Employer's Liability: \$500,000 accident for bodily injury by accident or disease, including \$500,000 disease aggregate.
4. Professional Liability: \$1,000,000 each wrongful act, \$2,000,000 policy aggregate. If CONTRACTOR's contract with The TRIBE exceeds \$1,000,000, the each wrongful act limits shall apply separately to the TRIBE's project.

Deductibles and Self-insured Retentions

The funding of deductibles and self-insured retentions maintained by CONTRACTOR shall be the sole responsibility of CONTRACTOR. Self-insured retentions in excess of \$50,000 must be declared to and approved by the TRIBE.

Other Insurance Provisions

The required insurance shall contain the following additional provisions:

- I. **ADDITIONAL INSURED** – The TRIBE must be included as an additional insured, by endorsement, under CONTRACTOR’s Commercial General Liability with respect to liability arising from CONTRACTOR’s products, goods, or work or operations performed by or on behalf of CONTRACTOR.
- II. **WAIVERS OF SUBROGATION** – CONTRACTOR agrees to waive all rights of subrogation against the TRIBE and other tenants of the TRIBE, with respect to loss, damage, claims, suits, or demands, howsoever caused:
 - a. To real or personal property, equipment, vehicles, tools, laptops, etc. owned, leased or used by CONTRACTOR, its employees, agents, or subcontractors; and
 - b. To the extent such loss, damage, claims, suits, or demands are covered, or should be covered, by the required insurance or any other insurance maintained by the CONTRACTOR. This waiver shall apply to all first party property, equipment, vehicle and worker’s compensation claims, and all third party liability claims, including deductibles or retentions, which may be applicable thereto. The CONTRACTOR agrees to endorse the required insurance policies to acknowledge the required waivers of subrogation in favor of the TRIBE. CONTRACTOR further agrees to hold harmless and indemnify the TRIBE for any loss or expense incurred as a result of CONTRACTOR’s failure to obtain such waivers of subrogation from CONTRACTOR’s insurers.
- III. **NOTICE OF CANCELLATION** – Each insurance policy shall be endorsed to require Insurer(s) to provide thirty (30) days' written notice to the TRIBE by certified mail, return receipt requested, prior to any suspension, cancellation or non-renewal of the required insurance.

Acceptability of Insurers

Insurance is to be placed with insurers with a current A.M. Best's rating of not less than A- VII, unless otherwise approved by the TRIBE.

Verification of Coverage

CONTRACTOR shall furnish the TRIBE with a certificate of insurance evidencing the required coverage prior to the delivery of product, goods or services to the TRIBE. The certificates are to be signed by a person authorized by the insurer(s) to bind coverage on their behalf. Renewal certificates are to be provided to the TRIBE prior to the expiration of the required insurance policies. As an alternative to a certificate of insurance, CONTRACTOR’s broker or insurer may provide complete, certified copies of all required insurance policies, including endorsements necessary to affect coverage required by these specifications.

3. VENDOR APPLICATION AND REGISTRATION PROGRAM

Because the TRIBE is engaged in Indian tribal gaming in accordance with the Indian Gaming Regulatory Act and the regulations promulgated by the National Indian Gaming Commission, the TRIBE cannot engage in significant transactions with individuals or business entities whom, because of past or continuing activities, associations, or reputation, might bring discredit to the TRIBE and its gaming operations. Thus, the TRIBE has adopted a program whereby it reviews significant transactions and the persons or entities involved with those transactions to assure compliance with all applicable laws and regulations relating to gaming.

The selected vendor(s) will be required to submit a completed and fully executed Vendor Application and Registration Form to the TRIBE's Purchasing Department, if not already an approved vendor. Upon successful completion of an investigation into the past and current activities, associations, and reputation of the applicant, the TRIBE will assign a vendor number and the vendor will be added to its Master Vendor file. The TRIBE may not enter into any business transactions with any vendor whose name does not appear on its Master Vendor file.

4. SELECTION OF CONTRACTOR(S)

The TRIBE will conduct a comprehensive, fair, and impartial evaluation of all documents received in response to this solicitation.

The CONTRACTOR(s) with the best overall score will be the apparent awardee, pending final review of all qualifications and documentation.

5. ADDITIONAL ITEMS AND SERVICES

The TRIBE may require additional items or services of similar nature, but not specifically listed in this solicitation. The selected CONTRACTOR(s) agrees to provide such items or services, and shall provide the TRIBE prices on such additional items or services based upon a formula or method that is the same or similar to that used in establishing the fees as a result of this solicitation. If the fees offered are not acceptable to the TRIBE, and the situation cannot be resolved to the satisfaction of the TRIBE, the TRIBE reserves the right to procure those items or services from others. CONTRACTOR shall work cooperatively, when required, with any additional parties from which these services are obtained.

6. FRAUD AND MISREPRESENTATION

Any individual, corporation, or other entity that attempts to fulfill the requirements of this solicitation through fraud, misrepresentation, or material misstatement may be deemed non-responsible and such individual, corporation, or other entity's qualification may be null and void.

7. CONFIDENTIALITY / NON-DISCLOSURE

CONTRACTOR(s) shall treat any information contained in this solicitation (or accumulated through other written or oral communication with the TRIBE) as confidential information. Any information provided by the TRIBE to CONTRACTOR(s) in this solicitation is to be used solely to permit CONTRACTOR(s) to reply to the solicitation and CONTRACTOR(s) shall make no other use of the information, inclusive of sharing the information with corporate affiliates and subsidiaries without the prior written consent of the TRIBE. CONTRACTOR(s) shall hold the information contained in this solicitation in strict confidence and the information obtained will not

be disclosed to any third-party, vendor affiliate, or subsidiary, without the TRIBE's prior written consent.

8. NON-EXCLUSIVITY

It is expressly understood that contractor selection does not grant the CONTRACTOR an exclusive privilege to provide the TRIBE any or all of the goods and/or services that are the subject of this solicitation. The TRIBE reserves the right, as deemed in its best interest, to perform or cause to be performed the provision of the goods and/or services, or any portion thereof, herein described in any manner it sees fit, including but not limited to award to multiple contractors, and contract with other contractors for the provision of goods and/or services similar or identical to those that are the subject of this solicitation.

If it becomes necessary to revise or clarify any part of this solicitation, the TRIBE may modify this solicitation by issuance of written addenda to all parties who received the original solicitation. The date for submission of responses may be extended, if, in the sole judgment of the TRIBE, it is warranted. All addenda will clearly be marked as such and shall become part of the solicitation documents.

11. GRANT FUNDING

The parties acknowledge that the goods and services solicited under this solicitation are fully or partially funded by federal funding through the Pipeline and Hazardous Material Safety Administration (PHMSA) under the Hazardous Materials Emergency Preparedness (HMEP) Tribal Grant program, Award Number: 693JK32140007HMEP.
